Local Area

Vera is a small town approximately 10 km from the coast although the municipality extends to the sea shore where, a tourist settlement, known as Vera Playa, has been developed. Originally called Baria and located at Villaricos (Rich Village, due to the silver mining industry) Vera relocated in the 13th century. The Christian conquest in 1488, an earthquake in 1518 and the Moorish rebellion in 1568 have all contributed to the character of the town. Legend has it the old town was buried after the earthquake and that an arrow was fired. The existing town grew from where it landed.

Vera has a particularly attractive tree-lined town square, Plaza Mayor, with a central fountain, boutiques and street cafés.
